AN INCIDENT OF THE FOURTH. Representatives of All Nations Sing "My Country, 'Tis of Thee."

What use dto be known as "the Gorge" on West Main street, between High and Forest, but which is now recognized as "the new Jerusalem," was one of the liveliest sections of Norwich on the Fourth, and the little Hebrew boys had great sport lining up torpedoes on the trolley tracks for the cars to explode as they passed by late cars to explode as they passed by late in the day.

"Blind George," with his new accordion, who has of late been giving nightly concerts in West Side neighborhoods, was invited to play at the house of Chemical company No. 2 and attracted a large assembly of white, brown and black children, representing a half-dozen different nations, and when he started "My Country," Tis of Thee," his juvenile audience, regariless of race, previous condition or color, gave concerted vocalization to

color, gave concerted vocalization to this popular American hymn. It was a fine exhibit of what the teaching of music in the public schools does for the children, and they voiced the previous sentiments of the old song with a true American heartiness which impressed all hearers with the sin-certity of their love for their native or adopted land.

### BEAUTIFUL FLOWERS. From Andrew H. Breed's Garden Geer Avenue.

Ex-Councilman Andraw H. Bread surprised the editor of The Bulletin the Fourth with a box of flows. n his garden on Geer avenue which play of sweet peas was something wonderful for size and variety of color, and his great golden yellow and glaring red stem dahias would do credit to the grower in a September exhibit. Mr. Breed need take no back seet among the smateur harricul. sest among the amateur horticul-turists of the country.

The Dollar Dress. The Dollar Dress.

More than a tenth of the 243 girls who graduated from Washington Irving high school last night wore dresses costing from 72 cents to \$1. And, according to the report, it was impossible to say who wore the inexpensive dresses. One girl whose father supposed that she was wearing a gown costing \$45 appeared in one costing \$2 cents—and the fond parent was none the wiser. And this girl had the added estisfaction of knowing that she ed satisfaction of knowing that she was helping to make the poorer girls

The dollar dress idea is a creditable one, creditable to the teachers who suggested it and creditable to the girls who enthusiastically carried it through. It proved a lesson in clothes economy, in how to make a little go a long ways, and perhaps it will serve a little to correct a tendency which has become so serious of late as to be actually embarrassing to many families—the tendency to make graduation, whether from high school or college, almost as much of a clothes event as is a seeding.—N. Y. Globe The dollar dress idea is a creditable

# FEW ACCIDENTS AND FIRE CALLS

Fred Wilcox of Poquetanuck Shot by a Cannon Loaded With Stones-Three had to be Extracted from Feritonium-One Alarm and two Other alls for Firemen

Despite the open Fourth the cele-ration of which one doctor character-ted as insane but safe, there was no erious accident within the city as far learned on Monday. There was a oration of which one doctor characterized as insane but safe, there was no serious accident within the city as far as learned, on Monday. There was a lack of the small accidents even, and the doctors, contrary to the rule, did not have an unusually busy day. There were a few minor cases of burns, but very few doctors had to be called to give these attention. It was one of the quiest Fourths in this respect that the city has experienced in a good many years. At the Backus hospital not a case was presented because of injuries from explosives.

At Poquetanuck, however, there was a serious accident to a thirteen-year-old, but it is thought that he will recover. Soon after ten o'clock Dr. C. E. Stark was called to attend Fred Wilcox, son of Mrs. William Wilcox of that village, who had been shot by a cannon. The cannon had been loaded heavily with powder and there had also been removed. ized as insane but safe, there was no

heavily with powder and there had also been rammed down a quantity of pebbles about the sixe of small grapes. Young Wilcox got in front of this dangerous of peoples about the size of shad grapes. Young Wilcox got in front of this dangerous charge, when it was prematurely exploded with the result that he was badly used up, three of the pebbles entering the abdominal wall and lodging in the peritoneum. They were logated and extracted. His face was also filled with powder and 125 grains were take nout. Althugh badly injured Dr. Stark was of the opinion that he would recover.

New London had a bad accident, which may result in the loss of an eye. Victor R. Torgerson of Willetts avenue was loading a cannon when it exploded in his face, filling one eye

# RETURNS FROM CANADA

Had Excellent Luck at the Salmon Pools on the Retigouchee-Archibald Mitchell, Sr., to Return This Week.

Archibald, Mitchell Jr., returned on Friday from the fishing camp on the Restigouchee, where Archibald Mitchell, Sr., has been spending a number of weeks and where he is at the present time with the other partners of the camp. They are having excellent luck and the weather there is delight-

ful.

Mr. Mitchell reported a good catch during his stay at the camp, having succeeded in securing 14 which ranged from 12 to 29 pounds in weight. Archibald Mitchell, Sr., has had his customary good luck, having made some large kills. He is expected home this week.

### OBITUARY.

Mrs. Owen Flood. The death of Mrs. Hannar Flood, widow of Owen Flood, occurred at the home of her daughter, Mrs. Timothy C. Murphy. No. 36 Williams street, at 5.20 o'clock Monday afternoon after an illness of six weeks due to a general breaking down.

Baptist church.

The attendants were Mrs. Laura Jackson and Augustus Vera in the presence of many friends. Mr. and Mrs. Goncalves will reside at No. 8 Cuarry street the home of the groom.

Educate Your Boy at Home.

I have been given honorary degrees in certain foreign universities on the continent of Europe and in England. I am grateful therefor. I appreciate the honor. It was the keenest pleasure to me to visit those universities. I admire them with all my heart. And now, having said that you will not misunderstand me when I say that I come back feeling more truly than ever that the place for a man to be educated is in his own home.

Let him be sent to school and to the university here in the United States. If he has a chance to take a post-graudate course elsewhere, according.

university here in the United States.

If he has a chance to take a postgraudate course eisewhere, according
as his tastes and needs dictate, good,
but let him have the foundations laid
here, where his citizenship must be
exercised.

Let me also point out the fact that
you cannot be useful abroad unless you
have abroad the respect that only
comes if your usefulness has been
proved at home. No man ought to
receive or will receive respect abroad burial.

# Real Winners of Lawsuits. Peter McKenzie, the last of the old Hudson Bay factors, had always a great hatred and fear of lawsuits. "I dined with Mr. McKenzie in Mon-

"I dined with Mr. ackenze in stories and long ago." said a mining engineer of New York, "and he reiterated his dread of lawsuits, driving home his point with a story.

"He said that a certain Smith won a case in the lower courts, the higher courts and the supreme court. Smith was thus finally awarded, after seven years of litigation, \$500,000. "When Smith heard the glad news,

"Yes, \$500,000 was the award, said the lawyer, and at the same time he handed Smith a dollar bill. 'But-what's this for?' Smith ask-

That's all that's left, Mr. Smith. explained the lawyer, 'after the Geduc-tion of my fee, the cost of the various appeals, and other expenses, which will be duly rendered you in an itemized "Poor Smith studied the bill in his hand.
"'Say, what's the matter with this?" he demanded. "Is it bad?" "—Minneap-

## lis Journal. What the Old Veteran Did.

Fourth!

The old veteran had paused in his reminiscences and was mopping his brow while his audience waited impatiently, thinking he had left off. "I recollect," he continued dreaming, "that at the battle of Alma I had a very exciting time. Bullets were peltin' upon us like rain, men fell right and left, cannon roared like thunder itself, and worst of all, the enemy had managed to get within a hundred yards of our position. I was mad with exure of such knowledge will be yours of our position. I was mad with excitement and wasn't thinkin' of anything except just fightin' for all I was mad with excitement and wasn't thinkin' of anything except just fightin' for all I was mad with excitement and worth. All of a sudden I turned and found that my regiment had changed lis position and I was cut off—left to the mercy of the enemy, sir!" The veteran paused; he always does at the most exciting part; he finds it

"Well, what did you do?" asked an impatient listener.
"Do?" said the old fellow, sleepily.
"Well, I reckon I did a mile in three
minutes!"—St. Paul Dispatch.

Train Robbery Old-Fashioned. Eventually robbing the poor Indian may become exciting enough to make train robbery only a hot-weather diversion in the west.—St. Louis Post-Dispatch.

A Bank Prospect. When a woman marries a poet she may expect some hard lines in life.-lolumbia State. Voice of Authority. "Two's company, three's a divorce." is the way Nat Goodwin puts it. He cought to know,—Heuston Chronicle.

Fire Department Ready.

Ready for all calls, the fire depart-ment had little business on Monday, there being but one bell slarm and two On Monday morning the Chemical company No. 2 was called to the dump, where there was a fire in the sawdust and wood at the Potter sawmill, caused it is supposed by a firecracker. It was

it is supposed by a firecracker. It was quickly put out with a three-gallon tank of chemical.

At 2.40 o'clock an alarm from box 14 was sounded, calling the department to the house in North Thames street owned by James T. Fitzpatrick. The shingles on the roof had been set afire, it is supposed by firecrackers, and there was a start of a good fire. A line of hose was laid, the fire being quickly put out. The damage will not be heavy, \$15 to \$20 covering it.

At 10.25 o'clock in the evening Engine company No. I was called to the Shields building in Broadway, where the roof had been set afire in several places by firecracks thrown out of the windows of the top floor of the Central building. Professor McCarthy, who occupies the tenement in the windows of the top hoof of the Central building. Professor McCarthy, who occupies the tenement in the Shields building, had gone upon the roof and used two pails of water in an endeavor to put out the fire, but more continued to kindle and a telephone call was sent to the central staphone call was sent to the central sta-tion. A tank of chemical soon put out the fire and the throwing of crack-

### SUDDEN DEATH OF ROBERT SAWTELLE. Popular Young Man Passed Away at

Backus Hospital from Acute Spinal

ers upon the roof was stopped

It was with sincere regret that the many friends of Robert Sawteke, chauffeur for Charles D. White, learned of his death, which occurred at the Backus hospital about 4 o'clock Monday afternoon from acute myalitis, a disease of the spinal column. He boarded at No. 69 Church street, and was taken from there Monday and was taken from there Monday afternoon to the hospital. Last week Tuesday he complained of not feeling well but continued at his work unti-

Saturday, when he became seriously ill and continued to grow worse despite medical attention.

Robert Sawtelle was born in Jeffry.

N. H., January 12, 1899, and was the oldest of seven children of Mr. and Mrs. Henry H. Sawtelle. For eleven years he lived in Winchendon, Mass., from which place he came to this city a year ago last May and has since been chauffeur for C. D. White, having been in that business for four years. He was a young man of excellent habspite medical attention He was a young man of excellent hab-its whose friendship was highly prized He was a faithful employe and held the esteem of all his acquaintances. He is survived by his parents, who were notified of his death Monday aft-ernoon, and who reached here Monday night; three brothers, Harold, Ken-neth and Burton, and two sisters, Edna and Bernice Sawtelle. He was a mem-ber of Watnick tribe of Red Men, No. 85, at Winchedon.

Sachem's Head Yacht Club Cruise. Commodore Edmund Q. Trowbridge of the Sachem's Head Yacht club has issued general orders for the annual cruise of the Sachem's Head fleet as follows:

anchorage during the afternoon of Friday, July 15, and on Saturday morning, July 16, at nine o'clock upon signal from the flagship will proceed to the eastward. The destination of to the eastward. The destination the day's run will be announced fr the flagship at least one hour before departure, and the itinerary of the cruise will be determined at meeting

of the captains on board the flagship from time to time. "In a general way it is planned to cruise in the waters adjacent to Shelter Island, Block Island, Newport and possibly Martha's Vineyard, but as nearly as possible no day's run will exceed forty miles. The fleet will dis-band on Saturday, July 23. band on Saturday, July 23.

"The Commodore's cup will be salled for on each day's run. Every yacht is to be handicapped on the previous day's showing, and the cup will be

awarded to the yacht winning the m points, according to the point system at vogue at the regular club races.

"Mess dinners will be held at suitable times and places. Every captain is particularly requested to be on ha: with his boat, and it is suggested that members who are not owners converyachts for the occasion.
"COMMODORE S. H. Y. C.
"Official, W. H. White."

Again the Hair. The man's hair, at 47, was so thick and dark that it gave him an abnormal and coarse look-the look somehow, of the proprietor of a swindling sideshow. He was, however, a

millionaire banker. "All this talk about the hair turning gray if you go bareheaded is false," he said, "except in the case of those who don't use brilliantine. Since I was a boy of 18, when my hair got very thin, I have gone bareheaded all summer long by a hair specialist's advice. To that I impute my excellent

"Of course, my hair, dried by the sun and wind, would have turned gray if I hadn't oiled it with brilliantine daily. I oiled and brushed it till it shone like satin. That combinationhair bared daily to the sun and olled daily with brilliantine-positively assures a thatch that will last out the lifetime. And this treatment staves off rather than brings on grayness."

Special Train to Carry a Wreath. Carelessness on the part of some court official recently rendered neces- this wonderful skin food. sary the sending of a special train from Budapest to Vienna to carry a laurel wreath for the tomb of the murdered Empress Elizabeth. It is the custom every year to make up on the empress' estate at Godollo, in Hungary, a gigantic laurel wreath to be laid on the empress' coffin in the eve of the anniversary of her assas-Budapest he found that the wreath had not been put in the carriage. To go back for it was to lose the train. and as it was imperative that the wreath should be laid in the imperial vanits that evening the court chamberiain ordered a special train to carry the wreath over the 162 maes between the Hungarian and Austrian
